

Our Community Garden Welcomes All

"To nurture the garden is to feed not just on the body but the soul" - Alfred Austen

We believe that anything that slows us down and forces patience, anything that connects us with the seasons of nature is a help to our wellbeing and interconnectedness.

Creative Director,
Nyree Taylor

The Vision

A community garden full of fruits, vegetables, bush tucker & flowers. A place where the community can come together and share knowledge, skills, and best horticulture practices. The community garden will be a unique, safe, & supportive sanctuary for all users of the space, whilst recognising the cultural significance of the land to the Yued people.

Community Garden

A place for plants and people to grow

We're determined to create a unique, safe, and supportive sanctuary for all community members.

Key Benefits

- Improves & strengthens community pride & fosters connections across all ages, abilities, culture & gender through shared involvement in garden activities.
- Encourages a creative environment in which people can contribute their skills, learn from each other, develop new skills & fresh ideas; share knowledge.
- Encourages environmentally sound gardening practices such as organic gardening, recycling, composting, and water recycling.
- Our garden will include plants & cultural traditions of the various cultural groups that make up our community. This creates a sense of belonging and connection.

Upcoming Events

We are currently planning lots of exciting garden and sustainability workshops throughout 2021 including...

- DIY Wicking Beds Workshop
- Bush Tucker Day
- Herb Class
- Citrus and Fruit Tree Day
- Water Feature Workshop
- Winter Worm Farm

Pitch In

We greatly appreciate your interest in getting involved. There are many different ways depending on your time, availability, and interests.

During the planning and construction phase, we are currently looking for passionate people to be part of the gardens Organising Team.

We are also looking for donations to the Community Garden to help us purchase much-needed garden supplies, plants, seeds, and fund new projects. 100% of every contribution goes directly to projects within the Community Garden.
